ANNUAL GENERAL MEETING 21 JUNE 2013

This year the AGM will be held on 21 June in the Netball Hall at Brunel University in Uxbridge. The hall is located in Zone E in the Sports Centre. If arriving by car the closest parking is the Sports Car Park which can be found following the North Loop Road on the left hand side. A map of the campus is attached. The meeting will start at 7pm. Also attached is the formal calling notice and listed resolutions. There are no other formal plans for the evening but the following day will be the Challenge Cup Powerplay competition which starts at 0900.

The AGM is your opportunity to question the Chairman and Trustees and the CEO and his team on their management of GBWR over the past year and to influence the future direction of the sport. The Annual Report 2012-2013 will be available for downloading from the website no later than 20 June, copies will also be available at the meeting. This will provide you with a summary of the achievements over the last year and provide the key objectives for 2013-2014. The full Report and Annual Statements will be available for downloading no later than 14 June.

You are reminded that the attached calling notice outlines the process to be followed should you wish to propose a resolution or table a question under AOB. The AGM also provides you with the opportunity to consider the re-election of those Trustees who by virtue of our constitution have to stand down this year.

Attached are a number of key documents which you should read. Should you have any questions then please email Daniel, the Corporate and Membership Secretary at [DanielHook@rfu.com](mailto:DanielHook@rfu.com) The Chairman, Trustees and Senior Management Team very much look forward to seeing you on 21st June.

Yours sincerely,

*David Pond*
