

Talent loan agreement

Athletes within the talent system, are permitted to be loaned to other teams. This will give increased game opportunity to the athlete and support GBWR clubs that might need additional players to support their existing lines.

Key:

TM – Talent manager (Conor Murphy – conor.murphy@gbwr.org.uk)

TL – Talent Loan

LTC – Lead talent coach

RTC – Regional training centre

TPA – Talent pool athlete

Process

Action	Specific detail
1 - Club requests TL to GBWR TM with rationale as to why they require this loan.	Club is only permitted to request the playing points they require, not specific person. <i>Eg: We require a 2.0 player as due to clubs current players without a 2.0 we cannot play our 3.0 in a line or we are requiring a 2.5 player or above as we have no high pointers</i>
2 - TM will discuss with LTC and if request accepted, select athlete from the Talent pool.	Any athlete who is part of RTC sessions/Talent squad is within this pool. The TM and LTC will have insight into which players are best suited. They will speak with the player and their original club.
3 – GBWR will inform requesting club of the selected athlete.	If requesting club is in agreement then point 4 is actioned.
4 – GBWR will inform DMG reps of nomination to the affected teams of the loan and put out a Survey monkey.	Only clubs in the division this affects will be informed, they will be requested to vote on if the loan is permitted by a deadline. Any votes against would veto the loan/any non votes will be taken as no objection.
5 – GBWR will confirm the result of the vote	If agreed loan player will be added to the requesting Team’s roster.

All requests will be considered but note the below are points that will be reviewed by the TM and LTC when making decisions:

- Which Talent pool athlete is best situated to the requested club and will gain the most from the loan.

Talent Loan Agreement

Great Britain Wheelchair Rugby

September 2018

- Will the loan give the Talent pool athlete more actual game play opportunity.
- Will the loan give the Talent pool athlete more actual exposure to higher level game play.
- Is the talent loan assisting the requesting club in developing and maintaining their own players
- Is the talent loan assisting the requesting club from needing to bring in an import player
- Does the club already have a large amount of own players, and would the Talent loan restrict others within the requesting clubs court time.
- Does the club already have Talent loan players and is there an actual need for further if requested.

GBWR want to work together with clubs to ensure as much game opportunity is given to talented athletes of the future, along with supporting and being fair to all our clubs and members.

Pre-season requests need to be submitted a minimum of 2 weeks before the season team roster deadline.
